

Sr.

Boston July 28. 1753.

Your Watch fixed again by Mr Nelson
and Wonder at its proving Bad since it a
Week in my Job after alter'd before ^{at} Messrs Conroy
Offis and then it went extremely well, the great
Pecks had done the necessary fine, he says what
Alteration the Case spring Wants, must be done by
a Goldsmith, and thought twas a good chance
it done with you to your own mind

I hope it will prove well now. I sail tomorrow
if wind & permit I wish you well and am

Yours Most Humble
