

Mess^{rs}. Davenport & Wentworth ^{of the Packet} London 12 Jan: 1759

Triplicate. Gentlemen

The 10th Octo^r. was my last to you, the first of this month I Adjusted your Acct^s. Curr^t. with me, and am under you a State thereof, I then made a Balance due to me of £2813. 4. 6 be pleased to examine it & let me be Advised if it be found Right. I have now before me your Letter of 10. Nov^r., I am sorry to find I mis- understood your Order to make Insurance on the pretty Nancy Capt. Stokell, though no hurt has Arisen therefrom, would it not have been prudent for you to have made the Additional Insurance at Boston yourselves when you found I had Mistaken the Sum? I have at length got the sum you desire Insured on that and Goods not without difficulty, I could only get £100- done on the former Policy, so was forced to Employ another Broker and have had £1092. 10- more done, however at the same rate thro' with great difficulty, of this last Sum £210- is for Acct^s. of the Sup^r. & Costs him £56. 3. 6 the other additional Insurance being £982. 10- for your Acct^s. cost you £263. 11 this sum is put to your Debit as at foot — I observe you were sending other Vessells to the West Indies, I hope you will have Success in whatever you undertake.
