Sir

London 1<sup>st</sup> September 1771

We have just received your favor of the 8 July. enclosing  
Michl. Fanning's Promissory note for £60. with the  
Petition. we shall do all in our Power to recover it for  
you. but tis matter of doubt with us that we shall receive  
Even the Interest. the damages are entirely out of the  
Question. however. as said above you may depend on our  
attention to it. & we now write to Plymouth to J. Prayner  
Esq. in whose hands Fanning's affairs are said to be left.  
but we shall not be able to hand you the result by this  
opportunity. you may therefore expect it by the first  
after we hear from Plym<sup>r</sup>. - if we recover the bill  
we shall appropriate it a greable to your direction  
& are very respectfully

Sir

Your most humble Servant  
Champion & Dickason
